Become a Mentor
The Child and Family Development Department

CFD Mentoring Center
The center is geared toward students majoring in Child and Family Development. Students can receive one on one help with homework, college essays, creative writing and anything else they might need help with.

What you need to do:
- Print an application from the website.
- Complete an informal interview to be scheduled when your application is reviewed.
- For more information, visit our website: http://coe.sdsu.edu/cfd/

Why Volunteer?
- Put your skills to work
- Build your resume
- Help others reach their potential
- Develop new skills
