Leadership

Every great leader I have known has been a great teacher, able to give those around him a sense of perspective and to set the moral, social, and motivational climate among his followers.

~Vice Admiral James Bond Stockdale
If a leader demonstrates competency, genuine concern for others, and admirable character, people will follow.

~T. Richard Chase

You never conquer a mountain. Mountains can’t be conquered; you conquer yourself—your hopes, your fears.

~Jim Whitaker
